## CLEANERS AND DEGREASERS

The Treblex range of cleaners and degreasers are formulated to offer clients a broad range in selecting the product suitable for their requirements. These products are manufactured for heavy duty cleaning in industrial applications.

### ***This range includes:***

- ◆ Environmentally friendly products
- ◆ Solvent degreasers
- ◆ Non-flammable degreasers
- ◆ Quick-break degreasers
- ◆ Automotive cleaning and detailing products
- ◆ Mining products
- ◆ Marine products
- ◆ Bitumen and asphalt cleaner
- ◆ Food industry products
- ◆ Disinfectants

## POPULAR DEGREASERS

### **AUTOSOLV**

is a versatile solvent ideal for degreasing tasks in the automotive field. It is also a general purpose brake and parts cleaner which requires no rinsing.

### **MULTICLEAN**

is a super strength all purpose cleaner. Is a quick-break non-toxic, solvent free, non-caustic, non-flammable, bio degradable detergent degreaser.

### **TURBO RED**

is a water based non-flammable heavy duty degreaser which has proven to be highly effective in the removal of heavy grease, oils and soil deposits.

### **GRIME BLASTER**

is a powerful alkaline, ultra-heavy water based degreaser suitable for the toughest applications. A non-flammable, non-toxic quick-break cleaning compound which converts oil and grease into water soluble solutions.

## INDUSTRIAL AEROSOLS

Treblex Industrial high quality aerosols are manufactured to greatly exceed the performance of leading brands in all areas of industry, whether it be Mining, Industrial, Automotive, Transport, Marine, Earthmoving, Electrical or Engineering.

***This range includes:***

- ◆ Heavy Duty WD Lube
- ◆ CO2 Contact Cleaner
- ◆ Non-flammable Contact Cleaner
- ◆ Mine Spec Contact Cleaner
- ◆ Non-flammable Electra Clean
- ◆ Brake & Parts Cleaner
- ◆ Heavy Duty Brake & Parts Cleaner
- ◆ Non-flammable Brake & Parts Cleaner
- ◆ TacLube
- ◆ Moly Chain Lube
- ◆ Heavy Duty Lanolin
- ◆ Silicone Lube
- ◆ Super Seal Wax
- ◆ Battery Terminal Protector
- ◆ PU Foam
- ◆ Cold Galv
- ◆ Dry Moly Film Lubricant
